

RADIANCE HEATED TOWEL RAILS

There's nothing quite like a dry, warm towel.

Comfort, warmth, pleasure...

...not normally words associated with getting out of the shower on a cold winters morning. However, when a warm fluffy heated towel awaits, the experience is different.

Radiance Heated Towel Rails offer you that pleasure.

The towel is warm and waiting for you. After your shower the towel is dried quickly, so you don't have damp towel hanging in the bathroom all day.

All this for only a matter of cents per day in running costs.

Can your bathroom afford not to have a **Radiance Heated Towel Rail?**
